Data di validità - Validity date 05/97

**CATALOGO RICAMBI
SPARE PARTS - CATALOGUE**

1. Per l'ordinazione delle parti di ricambio citare sempre:
 - Numero di codice
 - denominazione e numeri di matricola del telaio
2. La ricerca del particolare di ricambio si effettua come segue:
 - individuare nella tavola il numero in figura del particolare
 - ricercare nella parte descrittiva il relativo numero di codice e la descrizione
3. I particolari contrassegnati con il simbolo "O" vengono consegnati unitamente ai particolari aventi come riferimento il simbolo "●" che sono elencati di seguito.
4. Le cifre riportate nella colonna contrassegnata dal simbolo "**Qt. %**" stanno ad indicare la quantità di ricambi, in percentuale, consigliata dalla ditta costruttrice
5. Definizione del modello specifico:
 - la prima cifra indica il modello e l'anno di costruzione
 - la lettera indica il paese di destinazione
 - la seconda cifra indica la colorazione.

Vedere tabella relativa per l'identificazione del modello.

1. All orders of spare parts must clearly indicate:
 - item code number
 - description and serial numbers both of frame and engine
2. To determinate the spare parts proceed as fallows:
 - on the drawing find out the position number of the required item
 - on the part list you will find relevant code number and description
3. The parts marked whit an empty circle "○", are delivered togheter whit details by a full circle "●", which are listed below
4. The figure listed on the column marked "**Qt. %**" indicate the quantity of sparre parts, in percentage, suggested by the manufacture
5. Definition of the specific model:
 - the first figure shows the kind of motorcycle and its years of manufacture
 - lthe letter shows the country of destination
 - the second figure shows the colour

See relevant table foe model identification.

Esempio Example			Colorazione Color	Riferimento Reference
1	A	1	Rosso e grigio antracite - Red and gray	1
